Planting the Seeds for a Sustainable Future

We're committed to creating a greener tomorrow. For every residential move booked in 2025, Atlas Van Lines Canada will plant one tree in collaboration with **Tree Canada**, a leading national charity dedicated to growing and protecting our forests.

Through Tree Canada's partnership with the **Government of Canada's 2 Billion Trees program**, the number of trees we plant will be doubled, helping us reach our target of 5,000 trees. This will greatly increase the impact of our efforts to restore ecosystems, combat climate change, and create a lasting environmental legacy.

Putting Meals on the Table

Moving doesn't just change lives—it can help feed them, too. As a proud partner of Food Banks Canada, Atlas Van Lines Canada is taking a stand against hunger. For every residential move booked in 2025, we're helping provide 10 meals to families in need, strengthening communities one plate at a time.

In February, we proudly served as the Matching Partner for Food Banks Canada's Family Day Campaign, doubling the impact of donations and ensuring more families had access to nutritious food and essential resources when they needed it most. Together, we raised over \$118,000—enough to help provide **more than 236,000** meals to families across Canada.
